Nexus

Mission :

NEXUS ONLINE Franchise Service started with a mission to help people to start their own legal online business with very low investment and high security.

Vision :

To achieve goodwill and wealth in the right way and to boost the innovative ideas, with lifetime support and direction

CEO & Founder

Sajith Nair

A software developer by profession, Mr Sajith Nair; Knowing the importance of Online Solutions in day to day life, started his venture in online service field, with his company ACE NEXUS Online

During 2013, working with Akshaya (A project by Kerala Govt IT Mission), he designed an online software named akshayaace.in ,to connect online service centers all over Kerala and Lakshadweep,and provided B2B and G2B Services through these centers..

Later he decided to start a firm with a vision to provide all major authorized B2B and G2B services under one roof,and merged with major Companies in this field to provide these services. The objective of the firm is to open 2000+ Premium online service outlets all over Kerala.

In 2017 this firm started authorized GST Suvidha Kendra franchises all over India and won several National and International Awards for their services

Continuing the online services journey with 120+ Services and 500+ outlets all over India..
