Smart ATM Kiosk

Automated Smart Kiosk ATM Business

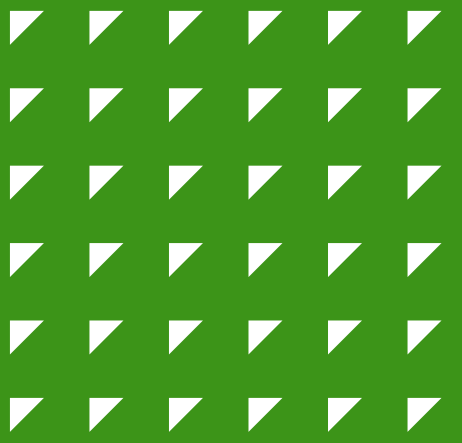

Nexus presenting India's first self service smart kiosk ATM with QR support.

Nexus Smart QR ATM allows users to perform banking transactions without the need for human assistance. We offering convenience to the customers by providing access to banking services 24 hours a day, 7 days a week, without the need to visit a bank branch during operating hours.

Investing in a self-service ATM business can be a lucrative opportunity for entrepreneurs. A passive income generation model. Once installed and operational, self-service ATMs can generate passive income for the franchise. Each transaction conducted through the ATM incurs a commission.
