# ACE Nexus

We are thrilled to welcome you to the ACE Nexus family!  
Your decision to join our franchise community marks the beginning of an exciting journey filled with opportunities, growth, and success.

At ACE Nexus, we pride ourselves on fostering a supportive and collaborative environment, where each franchisee is a valued member of our extended family. Your dedication to excellence aligns perfectly with our commitment to delivering top-notch products/services and creating exceptional experiences for our customers.

# Smart ATM Kiosk

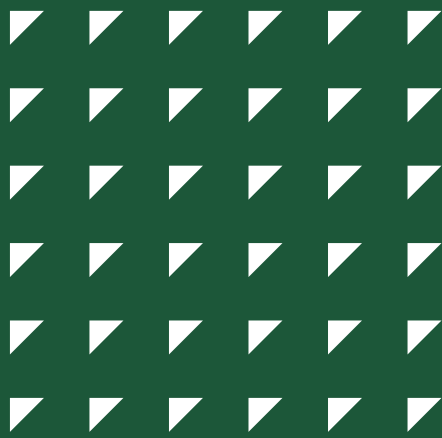

## Automated Smart Kiosk ATM Business

ACE Nexus presenting India's first self service smart kiosk ATM with QR support.

ACE Nexus Smart Kiosk ATM allows users to perform banking transactions without the need for human assistance. We offering convenience to the customers by providing access to banking services 24 hours a day, 7 days a week, without the need to visit a bank branch during operating hours.

Investing in a self-service ATM business can be a lucrative opportunity for entrepreneurs. A passive income generation model. Once installed and operational, self-service ATMs can generate passive income for the franchise. Each transaction conducted through the ATM incurs a commission.

# Smart Kiosk ATM

# Machine Spec

(All dimensions are specified in millimeters. The figures are not drawn to scale.)

**Space Required :40-45 Sqft Room/Cabin Model**

The mains supply 240VAC / 50Hz is supplied to all the devices inside the ATM machine through Spike Guard mounted on the cabinet. The supply from the Spike guard goes to all the devices through Power cords or with their appropriate adapters. Check all the voltages and proper earthing before switching ON the ATM.

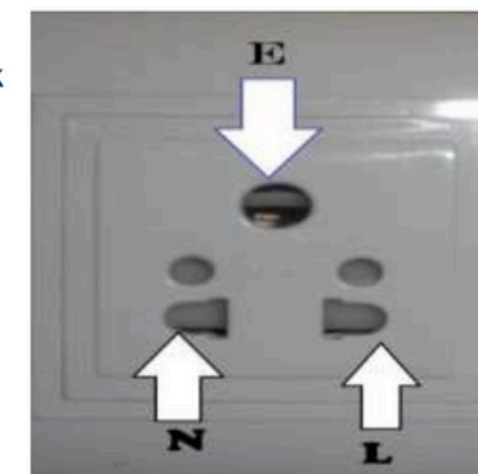

Note: Before connecting the supply to the ATM machine, check for proper Earthing to the cabinet.

Typical Earth to Neutral voltages acceptable is 0 to 5V AC.

L & N :- 230V+/- 5V A.C.

N & E :- 0 to 5V A.C. If it is showing 0V then between L & E reading should be ZERO, Indicating that N& E is short.

L & E :- 230V + / - 5V A.C.
